

## MERE MENTION

The Pennsylvania railroad system operates 26,198 miles of track and handles 188,418,718 passengers a single one of the road's passengers was killed. . . . President Wilson is reported to have received three members of the Federal Trade Commission. They are Jos. E. Davis, commissioner of corporations; Edw. N. Hall, president of the National Manufacturers' association; and Geo. Foster Peabody, a New York banker. Two other members of the commission are Wellesley College, which was destroyed on March 17, 1914, by fire, have succeeded in raising \$2,400,000 to restore the college. Wellesley, located near Boston, is one of the leading women's colleges of the United States. A municipal Christmas tree and ball was held on the plaza at St. Louis Mo., New Year's eve and was participated in by 35,000 people. . . . President Wilson received New Year's greetings from most of the rulers of the nations of the world on New Year's day. . . . The leading meat packers of the east, commencing during 1914, have paid \$200,000 to the Federal government. Statistics show that there was a shortage of 3,500,000 meat animals for the year. . . . Sophie Chas. believed to be the most successful smuggler of opium into the United States has been arrested at Liverpool and returned to this country where he is being held by customs officers. . . . The Ghee woman's trunk containing fully \$20,000 worth of the goods was found in a New York house. . . . The city police commissioner said that if he will allow them a little more personal freedom in making searches, premises and protecting them against attacks and suits for false arrest, he will clean the city of the thugs and lawless elements within an hour. . . . During the year 1914, the state of Pennsylvania received 1,000 automobiles. . . . The European war caused a fall of off approximately \$38,000,000 in the New York custom house for the year 1914, as compared with \$13. Custom receipts for the year 1914, were approximately \$167,000,000. . . . Domestic exports were approximately \$300,000,000, a decrease of \$103,000,000 as compared with 1913. . . . The war insurance board of the treasury department is now writing marine insurance on the cargoes to Germany up to \$750,000 on cargoes and vessels. . . . A New York hotel proprietor estimates that people celebrating New Year's in the city, spent fully \$2,310,000 for cables and drinkables in the hotels and restaurants of Broadway, last night. . . . There were 72 suicides and 63 suicides in New York city last year, as compared with 11 homicides and 58 suicides in 1914. The decrease in homicides and suicides is placed to the credit of Dr. Sullivan anti-weed law, which takes the possession of a pistol a felony. . . . By a collection of passengers trains near Liberty, Mo., Friday, 18 persons were injured. . . . Misunderstanding of orders was given as the cause. . . . Only 15 of the 20 counties of Kentucky, now permit the sale of liquor. . . . Panama-California exposition at San Diego, Cal., which is to run for five years, will be closed on Friday morning, by President Wilson touching an electric button in the White House at Washington. . . . Secretary McAdams was passing his personal representative at San Diego. . . . Hot Spas, Ark., is now the only "wet" spot in that state. Saloons in all other towns were closed at midnight, December 31. . . . The councils of Regard and Moscow, on Friday, rejected a plan to permit the resumption of the sale of beer and hot wines in those cities. . . . No compound containing any kind is allowed to be sold without a permit. . . . Bankruptcy petitions to the number of 1,696, were filed in New York, during 1914. . . . Billy Sunday, the famous evangelist, arrived in Philadelphia, Sunday, to begin a ten days' meeting. . . . J. M. Wright of Kentucky, marshal of the United States supreme court since 1888, died in Washington, Saturday, after a long illness. . . . Radium treatment of cancer was used in the famous Bellevue hospital of New York, for the first time on last night. . . . The Yaqui river in the state of Sonora, Mexico, is in flood. Many inhabitants of the country have been drowned, and hundreds have fled to the hills. . . . Richard Sparks, a seventeen-year-old boy, was electrocuted in the New Jersey state prison, yesterday. He had murdered a man whom he abducted. . . . Lucius Young, arrested in New York last week, on his wife's charge of desertion, said he ran away because she made him comb her hair. . . . The Portland, Ore., ordinance which required that all dogs be muzzled was repealed Saturday. . . . The ordnance was passed several months ago, following a threatened epidemic of hydrophobia. . . . Geo. Carr shooting killed his father, J. J. Carr, at the station, Ga., last Friday, because his father was beating a coroner's jury. . . . Miss Fern Hobbs, private secretary to Gov. West of Oregon, and a woman of national fame, has been appointed a salary of \$3,500 a year. She is the only woman member of the commission. . . . According to a statement issued by the immigration bureau last week, immigration through the port of New York, during 1914, fell off to the extent of 601,410 persons, or 45 per cent as compared with 1913. . . . The Georgia child labor law went into effect on January 1. It prohibits the employment of children under 12 years of age, and provides that children under the age of 12 and 14 years can only be employed when they have a permission certificate from their county child labor commission. . . . William L. Lewis for 15 years assistant sergeant-at-arms in the United States senate, and a veteran of the war between the states, died in Washington, Friday, at the age of 74 years. . . . The French government has arranged to place \$50,000,000 6 per cent treasury bills on the London market. . . . A revolution broke out in Paraguay, South America, last week. Dr. Eduardo Serrero, president of the country, has been taken prisoner. . . . The fifth Belgian relief ship to leave Philadelphia, sailed from that port last Tuesday, laden with six thousand tons of foodstuffs. . . . President Poincaré of France, in an address to foreign diplomats in Paris, Friday, predicted that the close of the year 1915, would see the close of the war in Europe. . . . Negro workmen in Charleston, Mo., attempted to lynch one of their number last week, after he had stabbed their foreman, a white man. A passing train crew saved the negro after a rope had been placed around his neck. . . . Louis Ghera was arrested in Tucson, Arizona, early Friday morning, after Arizona's prohibition law had gone into effect. His violation of the law and immediate arrest was previously arranged for the purpose of testing the law. . . . The safe crackers dynamited the safe in the E. Clairsville, Ohio, postoffice early Saturday morning, and got away with \$2,000 in cash. . . . Photographs of the remains of a cannibal, feast were brought back from Nukuhiva, in the Marquesas Islands, near Tahiti, by R. Armstrong, and others of the Los Angeles, Cal., who arrived in San Francisco, last Tuesday. . . .

The attending physician or midwife at a birth must file a certificate within ten days after the date of birth, and in cases where there are present the child. The law provides that a local registrar receive and file such certificate. On the tenth day of each month he shall send all original certificates to the state registrar. James A. Hayne, M. D., state registrar, is charged with seeing that the law is carried out. He is authorized to investigate all cases of irregularity and violation of the law, and report such cases to the district attorney, who must initiate court proceedings against any alleged offender. The law provides a fine of from \$5 to \$10 or imprisonment for 30 days or both.

## THE WAR IN EUROPE

## News Paragraphs Telling of Happenings at the Front.

Berlin reports that Germany now holds as prisoners of war 8,138 officers and 577,875 men of the allies. France and Russia have present in this country a very large part of the men held by Germany are civilians, interned during the war. . . . A dispatch from Copenhagen says that a ship from New York, with a large cargo of Christmas tree decorations intended for the German market, was seized by the Danish authorities and its cargo is being examined to contain well disguised quantities of copper and brass. The ship was confiscated. . . . The Russian army, it is reported, is in a panic. The "holy relics" have been moved to Broussa, where the sultan and his personal guard are making ready to follow. A large force of 15,000 men have been concentrated in the city. It is feared that the allies will soon force the Dardanelles and the Bosphorus. . . . A fleet of Russian steamers are in the Baltic. British Columbia, loading a great quantity of heavy guns and projectiles, made in Pennsylvania, for the Russian army in Poland. The war materials will be loaded at Valdivostok and transported over the Siberian railroad to Poland. . . .

—W. C. McClure and C. C. Kay, residents of Oconee county, have been arrested charged with the murder of Green Green, an old colored man, who was shot recently. It will be remembered that four negroes lost their lives at Fair Play, Sunday, a week ago, the shot being fired by one of the shooting of Julius Marett, white, who was trying to arrest a negro on a minor charge. Arrest warrants have been issued for several other white men on account of the affair. . . .

—Governor Bleasoe on Saturday, issued 18 pardons, 18 pardons as commutations of sentence. Among the most noted convicts to receive pardons were Thomas Nolan, alias "Chicago Nole", alias "Detroit Nole", and Charles Howard, alias "Texas Dutch". Both men were later re-arrested on state and federal warrants. There are now about 350 state prisoners left, including 155 negro boys in the state reformatory. . . .
